

## Bradford Champions...

The Saltaire Collection has several oral histories about people who migrated from Pakistan, Italy, Ireland and Poland (to name a few) to Saltaire and Bradford, to work in the mills, in the 1950s.

Many people became very successful in their chosen careers – some stayed in the mills for many years, some had families and some became owners of very successful businesses within Bradford, which are still booming today!

**Discuss** the following questions with the oldest person in your family. You could phone, 'What's App', email or write to them.

- 1) Who is the oldest member of your family in Bradford?
- 2) When did they come to live in Bradford?
- 3) Did they have any problems settling into Bradford?
- 4) What were their successes?
