

## SALTAIRE... IT'S WHAT DREAMS ARE MADE OF!

### **Titus Salt and Jonathan Silver both had dreams for Saltaire.**

Titus Salt believed that through his mill and model village, he could not only be a successful businessman but that he could also give working class people a better standard of living. Jonathan Silver had a different dream for Salts Mill but it has proven to also be successful and has given Saltaire its 'arty' edge.

#### **TASK:**

**Do you have a family member or neighbour that has an inspirational story that they could share with you? Did they achieve a dream? Do you have a dream that you could share with them? How can you share it whilst following social distancing rules...?**
