Saltaire Discovery Trail

The Final Puzzle:

Well done for finding all the clues on our Discovery Trail!

Take the letter from the coloured box and match it with the right colour in the box below, to uncover the secret message...

Saltaire Stories is the education programme of SWHEA: Saltaire World Heritage Education Association, charity no.115756

Saltaire Discovery Trail

Welcome to the Saltaire Stories Discovery Trail!

Over 150 years ago, a man called Titus Salt began an incredible task. His aim was to build a new village for all the people who worked for him, with everything they needed.

Saltaire is one of the best preserved model villages in the world with 99% of its building undamaged. Take our trail to discover some of its hidden secrets. At each location, you'll have to look for clues to solve the puzzle.

Can you solve all the puzzles and uncover Titus' secret message to you?
