## What you will need:

### Method:

**What are your dreams? What do you want to do when you leave school? What would you love to do or have?**

- 1) Draw a large cloud shape on a piece of card. Draw some smaller cloud shapes and cut these out.
- 2) Write one dream on each cloud.
- 3) Cut pieces of string of different lengths and attach these to the back of the clouds with masking tape and hang them from the bigger cloud.
- 4) Tape a piece of string to the back of the big cloud and hang from the ceiling or wall.
