Story Bag Starters...

What you will need:

Method:

- 1) **Cut up** a piece of A4 card into 9 equal sized pieces.
- 2) **Write on each piece of card some story ideas** (see those on the back of the postcard to help).
- 3) Take a **chiffon scarf** and **place your story ideas into the middle**. Gather up the edges of the chiffon scarf and **tie a piece of string around the top**. Or you could empty your 'Bag of Creativity' and use this instead.
- 4) **Pick 3 cards** out of your bag. Use these as the three main points of your story.

Next: Could you tell your story to someone else or write it down?
